DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and must not be altered, loaned, photocopied or used for any other purpose other than that for which it is loaned. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. The drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing do not to be used for any construction purposes unless signed by the Architect and then only in conjunction with any other drawings and specification issued. The Architect will not be responsible for any consequential losses that may arise from the use of this drawing other than those agreed expressly in writing. The Architect has no responsibility for the actions or their respective agents responsibility in the workmanship, substitution of materials, variations to specifications. Variations to confirm all dimensions to be read unless otherwise stated and all components and materials etc. to be used fitted and installed etc. to strict accordance with manufacturers instructions and relevant code of practice, materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Person eg Structural Engineer may be required to be employed to carry out the duties of the Planning Supervisor. Where trial pits are excavated as shown but may in reality be followed by machinery by party wall. No works shall be deemed to be instructed. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbors boundaries.
