DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photocopyied or used for any other purpose other than that for which it is issued. The Appointed Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless examined by the Architect as that design amendments may be necessitated. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the scope of its information relating to the Building Regulations and is not to include a full survey of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval etc. This drawing is not to be used as a contract document/ items. This scale will not be represented or interpreted on site by G.R. Merchant or any representatives thereof. It is the client or their appointed agents responsibility to appoint contractor(s), subcontractors of materials, preference to specification, variations to contract etc. All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. to strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all assessment necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the
