LCC REF : PL/0038/19 / SHDC REF: H14-0326-19

This submission is a consultation from Lincolnshire County Council regarding a planning application that the County Council will be determining as Local Planning Authority, on Land that runs parallel to Vernatt's Drain and is bound by the B1356 Spalding Road to the east, Spalding, to construct Section 5 of the Spalding Western Relief Road comprising of a new single carriageway route from the B1356 Spalding Road and Enterprise Way to Vernatt's Sustainable Urban Extension (SUE) incorporating a new roundabout junction with the B1356 Spalding Road, a bridge over the Peterborough to Sleaford railway line, and a priority junction into Vernatt's Sustainable Urban Extension.

As this application relates to road development, on this occasion the County Council will be determining as Local Planning Authority, and South Holland District Council have been consulted.

The plans and documents can be viewed at the following link on the Lincolnshire County Council website http://lincolnshire.planning-register.co.uk/Search/Results by searching the following planning reference **PL/0038/19**.

If you wish to make a comment or other representation on this application, please send your email or letter directly to Lincolnshire County Council via the Lincolnshire County Council website, as indicated on the link above, or via post to Planning and Development, Lincolnshire County Council, Lancaster House, 36 Orchard Street, Lincoln, LN1 1XX, quoting the reference **PL/0038/19.**

As South Holland District Council are a consultee to this application, and will not be determining whether planning permission is granted, any representations received by South Holland District Council will be forwarded directly to Lincolnshire County Council.
