We spoke today of the footpath and accuracy in the artists images. Image 2 shows a footpath in front of No 50. This is faithful to our plans, and accurate - it is seen in Engineering Plan: *21027-013 rev P6 Off Site Works - General Arrangement*

This states "1.8m wide Footpath with kerbing to be constructed between the site entrance and the junction of Milestone Lane with Crossgate"
– so this footpath will travel in the front of No 50, as seen in the artists image.

Highways Technical approval will secure this, as will Condition 11 of H14-1311-16 that will be a subsequent (duplicative) Condition Compliance submission to secure details of the widening of Milestone Lane.

Gordon
