TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference:	H14-0350-26	**Date of Decision:**	28th August 2026
Applicant:	Mr D Lovoaea 27 Wardentree Lane Pinchbeck Spalding Lincolnshire PE11 3UF		
Location:	27 Wardentree Lane Pinchbeck Spalding		
Description:	Proposed hip to gable roof conversion with ridge raise, front and rear dormers and ground floor conservatory link extension		

South Holland District Council, in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended), hereby give notice that permission has been REFUSED (or equivalent) for the development referred to above, for the following reason(s):

1 The proposal, in particular the hip to gable roof conversion and addition of a box dormer window across the front elevation, by virtue of its significant size, scale and overall contradiction to the existing characteristics of the area, represents an incongruous form of development which would appear at odds.

The area notably features typically designed bungalows and two storey dwellings for a residential road such as this, there are no clear examples of chalet style bungalows, or properties which feature box dormers across the front elevation. Should the proposal be constructed, it would conflict with the existing built form along Wardentree Lane and appear as an anomaly within the landscape and street scene. On this basis, the proposal is considered to be unacceptable due its vast contradictions which would cause material harm as a result of it being proposed along the most prominent and clearly visible elevation.

The proposal is therefore considered to be contrary to Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019, in design terms, as well as Section 14 of the National Planning Policy Framework, 2026.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason(s) for the refusal, that approval has not been possible.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: **https://appeal-planning-decision.service.gov.uk/before-you-start**. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
