

Cycle storage

Condition 21 of H14-1311-16

Cycle stores are needed for those 12 houses that do generally not have a garage: Plots 5, 9-12,27-33. These are shown below

Other cycle storage is accommodated in 6.8m long extended garages (*drawing 243.D.12B Garages Plans and Elevations*) as approved in H14-0328-21

Shire Bike Store Pent Shiplap. To be installed on 100mm concrete base

Specification for Shire Bike Store

- 0.63m x 0.63m x 1.19m high
- Stores up to three bikes
- Wide double doors for easy access
- Made in Britain from High grade pine.
- Width is 188cm

This pent roof bike store provides economic storage for up to 3 bicycles or can be used as a store for outdoor toys and garden equipment.

Wide double doors allow you easy access whilst the pent roof design makes this an unobtrusive building. A hasp and staple is fitted to the door ready for your own padlock.

Wall panels are made from weather resistant 12mm shiplap FSC Certified timber boards and supplied in a honey brown timber basecoat ready for your own top coat choice.

The roof is constructed from solid board (OSB) for ease of installation and comes without a floor to allow wet bikes to drain off without damage to the store.

The Bike Store comes complete with fixing kit, roof felt, installation instructions and includes home delivery.
