Scales
1/100(unless otherwise stated)

**DO NOT SCALE FROM THIS DRAWING**
This drawing is copyright and may not be altered, reused, photographed or used for any other purpose other than that which it was originally drawn for without the written consent of the Architect. All dimensions are to be checked on site by the contractor prior to the commencement of any work or the preparation of any shop drawings. Any discrepancies are to be reported to the Architect immediately. Figured dimensions are to be taken in preference to scaled dimensions. This drawing is to be read in conjunction with all relevant engineers and specialists drawings and specifications and any other drawings and instructions issued by the Architect during the course of the contract. Foundations are based upon typical site conditions stated in the area. No responsibility can be accepted for abnormal conditions which may be discovered during excavation unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European Technical Approval where applicable. Contractor to obtain and deliver to the Architect on completion certificates of compliance with rules and subsets of Model Water Bye Laws in addition to compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
