The Economic Development Team are happy to support this application. FreshLinc are a well established, fast growing, nationally recognised company who through their various associated businesses, employ a large number of people in the district. FreshLinc are at the forefront of adopting new technology, and responding to the ever changing needs of their customers at either end of the supply chain. This extension to the business is necessary to keep them at the forefront of their sector, benefiting many other local businesses by becoming more efficient, and creating further employment in the process.
