Dear Sirs

WORKS TO TREES AT: PINCHBECK DAIRY

Further to your recent enquiry regarding tree surgery works at the above property, I have now visited the site and completed a site survey and assessment, we are pleased to enclose our quotation in respect of proposed works as discussed and detailed below.

To supplying to site all labour, equipment, and any footpath and traffic control measures necessary to enable the following tree works to be undertaken, subject to confirmation of all necessary approvals.

Works

Chestnut trees – trees were pollarded approx. 5 years ago, most trunks have varying amounts of decay present and regrowth now getting to a point of potential failure. I recommend re-pollarding all trees and cut ivy.

Disposing of arising's as detailed above, leaving all work sites clean and tidy on completion of works for the total sum of [redacted] ***plus VAT at 20%, registration no. 827 3503 33;***

Chipping all brushwood product into a vehicle and removed off site along with all other product from this operation to be processed for compost. All branches, trunks and log-wood to be removed off site to be processed into BioMass fuel leaving site and all works areas tidy on completion of the works, unless otherwise agreed or indicated elsewhere.

All works will be executed in accordance with BS 3998:2010, industry best practices and in accordance with all current health and safety legislation and Highways requirements.
