Dear Sir/Madam

TOWN AND COUNTRY PLANNING (GENERAL DEVELOPMENT) ORDER 1988
PERMITTED DEVELOPMENT - APPLICATION FOR DETERMINATION

Your application has been submitted on the basis that the proposal is permitted development and a determination is required as to whether extra details should be submitted.

It appears, however, that the proposal is not permitted development, and a determination regarding the submission of details is therefore not relevant. Instead, what is required is a normal application for planning permission accompanied by full plans and appropriate fee. The fee submitted on the present application can be counted towards the new one.

The present application will be filed away, and further application forms are enclosed for your use.

Yours faithfully

Director of Housing and Planning Services
