This drawing is copyright and may not be altered, reused, photographed or used for any other purpose unless we have given our written consent. The General Contractor is to check all dimensions on site and report discrepancies to the Architect. All works shown on this drawing including variations are based upon visible and reasonably assumed conditions. We cannot be responsible for any unforeseen conditions not accepted for reasonable allowances which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is therefore for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used for a contract document alone. The works will not be warranted or supervised by us unless specifically so instructed in writing. Variations to contract are normally necessary, subsidence of unstable, deleterious to specification, variations to contract are normally necessary, subsidence of unstable, deleterious to specification, variations to contract are normally necessary, subsidence of unstable, deleterious to specification,
