Subject: Correction of original cover letter (dated 28th May 2026) of distance of hedgerow to be removed from 15 metres to 16 metres.

PLEASE NOTE:

Anglian Water have recently submitted a planning application (ref H14-0525-26 / PP-14979526) for hedgerow removal in West Pinchbeck as part of a project to rebuild the reservoir at the treatment works. The application and cover letter submitted requests a 15m removal however they have since realised it will actually require a 16m removal.

It is not considered that this warrants submission of a new Application or Consultation, due to the margin of error involved on the ground during hedgerow removal.

Yours sincerely,

Diane Fairchild Fenton (Mrs).
