Application H14-0532-26
Location Land off Bervor Close Pinchbeck Spalding PE11 3ZN
Proposal Construction of BIO-LNG Refuelling Station

Name Parish Clerk
Address Pinchbeck Parish Council

Date Submitted 30-06-26
For/Against Support

The Parish Council recognises that the proposal would provide infrastructure to support lower-emission fuel use within the transport sector and would contribute to the provision of modern commercial facilities in an established employment area. The Council considers the development to be an appropriate use of the site and therefore supports the application.
