Dear Sir

Re: Demolition of single storey garage block and erection of one and a half storey dwelling
Land adjacent to 33 Knight Street, Pinchbeck
Monograms Rentals Limited

Thank you for your consultation on the above planning application.

The applicant states that surface water will be disposed of to the main sewer. The Board have no pipelines or surface water sewers close to this site, although Anglian Water may have. This should be confirmed.

However, in line with current recommendations, I would expect the applicant to consider a more sustainable system than direct discharge.

Yours faithfully

N S Morris
Operations Engineer
