

The image contains two architectural drawings of staircases, likely for a residential building. Both drawings show a staircase with a handrail and balustrade, and a landing area.

Left Drawing:

- Labels:** "FIRST FLOOR LEVEL" (indicated by a dashed line), "GROUND FLOOR LEVEL" (indicated by a dashed line).
- Dimensions:**
 - 1624 TO THE LANDING (vertical dimension from ground floor level to the top of the balustrade on the landing).
 - 864 (horizontal dimension from the wall to the start of the staircase).
 - 1250 (horizontal dimension from the wall to the end of the staircase).
 - 203 (vertical dimension from the ground floor level to the top of the balustrade on the landing).

Right Drawing:

- Labels:** "2446 TO TOP LANDING" (vertical dimension from the ground floor level to the top of the balustrade on the landing).
- Dimensions:**
 - 900 (vertical dimension from the ground floor level to the top of the balustrade on the landing).
 - 1345 (horizontal dimension from the wall to the start of the staircase).
 - 800 (horizontal dimension from the wall to the end of the staircase).
 - 203 (vertical dimension from the ground floor level to the top of the balustrade on the landing).
 - 864 (horizontal dimension from the wall to the end of the staircase).

Architectural floor plan of a building with dimensions and a painting instruction box.

Dimensions:

- Overall width: 1250
- Overall height: 1945
- Top horizontal segments: 864, 100, 100, 100
- Left vertical segments: 100, 864, 100, 800, 100, 1945, 100
- Bottom horizontal segments: 100, 824, 100
- Internal vertical segments: 225, 900
