5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Change of use - residential to business to run a small livery yard on existing site with existing equestrian facilities - no building work is required. Up to a max of 4 horses, to be kept at full livery with no provision for DIY, this will limit potential traffic, noise and light issues. There will be strict times in operation for owners to visit their horses - summer and winter within daylight hours to remove any requirement for artificial light. Muck heap removal is already specified at the property and this will continue with a contractor regular removing the muck heap. The change of use will enable our daughter to become self employed running a small business and gain life skills, meaningful and enjoyable employment for which she has a passion and develop her dressage career and meet her own personal goals. More information is provided in our supporting statement.

Has the work or change of use already started? ○ Yes ◉ No
