I have reviewed the 'Preliminary Environmental Risk Assessment Land off Spalding Road, Pinchbeck, Lincolnshire Issued: November 2018 Delta-Simons Project No. 16-0323.03' and recommend discharge of condition 7 of H14-0956-16 in full. The applicant is reminded that should any contamination be identified during site works, all work should cease until a scheme to remediate the site has been agreed. Please note that the marker on the GIS system is the wrong place.
