Description of Proposed Works

Please describe the proposed works

In retrospect, I am requesting to move part of my fence (4 meters), which is 1.8m high to the edge of the yard.
This portion of the property is adjacent to the road/highway but not in front of anyone's house or doorway.
It will not pose any obstruction to my neighbours.
I only did this to maintain my privacy at the back of my house.
I maintained the authorised height of 91cm around the rest of my yard.

Details of the pre-application advice received

I made an enquiry on 6 Jul 2021 at 9:51, Ref: SHC-1045507

I was advised that I could erect a fence that is 91cm o lower in front of the house/ highway.
I did not know that the road to the Right side of the house on the close is also considered a Highway.
So I thought the advise I received was sufficient, to move just 4 metres away from the house.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
