This message originated from outside your organization

Good afternoon Mr Grant,

Thank you for your call.
Please see below the answers to your request:

- The boundary wall will be height 2 mts and we would like to use the same brick used to build the house (Ibstock Grampian Red Mixture).
- The gate will be as high as the boundary (2mt) and it will be an electric wood gate.
- The pavement which we intend to use is permeable (Driveline Priora Permeable Buff Block Paving)

If you need any additional information, please don't hesitate to contact me.

Regards,

Juliana M. Camargo
