Details of the pre-application advice received

I telephoned the South Holland Council District Offices. Selected the planning department and asked which application to choose for having a curb dropped to create a driveway. I explained our property currently has shared driveway with 111 Six House Bank. They have requested that we give up our current access rights in exchange for a parcel of land, that they own, to the rear of our current property. Upon Survey and Architectural advice, we have been advised not to proceed without establishing a separate driveway. This is the reason for the application. I explained that there was an 11 metre section of raised curb that had not been used as a pedestrian walkway from the time we moved into the property on 21st July 1997. But that there was a dropped curb section measuring 1 metre approximately that related to our property, not really big enough to accommodate a car going in or out. The advice from the Surveyor and Architect was that for reasons of safety we should extend the current 1 metre drop, to make the area safe to manouevre vehicles in and out. I explained this to the person I spoke to and she advised me on the correct form to use.

24. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

○ Yes ◉ No

*** 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.**

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
