Sizes, Prices and Accessories

AMENDED PLAN
Ref. A1

September 2011

the Rooflight Company

The Professionals' Choice

The largest conservation rooflight size range available.

Our standard Conservation Rooflights® are finished in black (RAL9005) with our standard glazing specification of K glass, 4mm toughened inner, 4mm toughened outer and 16mm argon filled gap achieving an average installed U-value of 1.35W/m² K.

A range of colours and glazing options are available.

Please contact Customer Services on 01993 833155 or email info@therooflightcompany.co.uk for full price and lead time details and to discuss your requirements.

To request a quote call our Customer Services team on 01993 833155 or visit www.therooflightcompany.co.uk
