Central Networks East Application Number **EMP/831** Date **24th August 2010**
To the Chief Executive **South Holland District Council** Planning Department

Dear Sir

Electricity Act 1989

Application is being made to the Secretary of State for Energy for his consent to the development described overleaf. The Secretary of State will at the same time be requested to direct that planning permission for this development shall be deemed to be granted. The consent and the direction may be given subject to conditions.

To assist the Secretary of State to determine the application the District/Borough Council is requested to return to me two copies of this Form with Part I Certificate and Part II completed and signed with plans.

Department of the Environment Circular 14/90 (Welsh Office Circular 20/90)[Department of Energy Circular 1/90] describes this procedure and the reason for it.

Yours faithfully
For and on behalf of Central Networks East

(Reasons for objections)

PARTICULARS OF PROPOSED DEVELOPMENT AND REPRESENTATIONS

(To be completed by Central Networks East)

Application is being made:

(a) for consent under section 37 of the Electricity Act 1989 to install or keep installed an electric line above ground;

(b) for a direction under section 90(2) of the Town and Country Planning Act 1990 that planning permission for the proposed development be deemed to be granted.

1. Particulars of proposed development. (These particulars should be accompanied by such plans as may be necessary to enable the local planning authority to identify the land affected by the proposals and to appreciate the nature and extent of the proposed development and by a copy of the environment statement if the applicant has prepared one.)

   Dismantle overhead 11kv line with support poles and conductors. Install new terminal support poles in excess of 10% taller than existing and install one new stand alone pole in the parish of Spalding with a tolerance of 30m either side of the route shown on the attached plan number 16699/2.

   To replace old damaged and deteriorated poles and to upgrade conductors.

2. Particulars of any representations of objections which have been made to Central Networks East.

3. Particulars of the applicant's compliance with his duty under paragraph 1 of Schedule 9 to the Electricity Act 1989.

   The proposed overhead line is required due to the existing line deteriorating and failing to comply with the required safety and quality regulations. Environmental searches have been conducted and it is believed that there will be minimal impact on the Environment.
