This drawing is copyright and may not be altered, traced, photographed or used for any other purpose whatsoever without the written permission of G. R. Merchant Ltd. Any unauthorised use will be reported to the police.

Report any discrepancies in the Architect's drawings or details shown on this drawing before proceeding. Dimensions are to be taken from figured dimensions in preference to scaling. Any variations from the drawings must be agreed with the Architect before work is executed. All materials and workmanship must be in accordance with the current British Standard Specifications and Codes of Practice. Any variations to the drawings must be approved by the Building Control Officer before work is executed. The Contractor is responsible for ensuring that all sub-contractors employed on the works comply with the requirements of the Building Regulations. The Contractor is responsible for the safety of all persons employed within the site and shall comply with the requirements of the Health and Safety at Work Act 1974 and any subsequent amendments. The Contractor shall take out all necessary insurance policies in respect of injury to persons employed by him and to the public and for damage to property. The Contractor shall indemnify the Client against all claims, demands, proceedings, costs, charges and expenses whatsoever arising out of or in connection with the carrying out of the Contract Works. The Contractor shall allow access to the works at all reasonable times to the Architect, Clerk of Works, Building Control Officer and other persons authorised by the Client.

This drawing is the property of G. R. Merchant Ltd. and is issued for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used for any purpose other than that stated above without the written consent of G. R. Merchant Ltd. and shall not be loaned, copied or passed to a third party.

Any discrepancies found between the drawings and the site conditions must be reported to the Architect before any work is executed. Figured dimensions are to be taken in preference to scaling. All dimensions are to be checked on site before any work is executed.
