Dear Sir

**EXTENSION TO FORM FIRST FLOOR OFFICE SPACE
MILL GREEN ROAD PINCHBECK SPALDING**

Please find enclosed herewith a drawing showing an amendment to the design approved on 4 August 2000 in respect of Application No. H14/0777/00. The original scheme was to insert a long dormer on each roof slope of the existing roof. This has now been changed so as to bring the eaves up to the top of the window heads on each side. The roof covering was to be in grey profiled steel, but the amendment would allow for the use of Redland Regent pantile profiled tiles to be used to give a traditional appearance.

I would be obliged to receive the confirmation of the planning authority that this amendment is acceptable and that no further application is required. Application for the approval of the scheme in respect of The Building Regulations is now being compiled ready for submission.

Yours faithfully

E W Ellis
