DO NOT SCALE FROM THIS DRAWING This drawing is copyright and may not be copied, reproduced or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions at site and report any discrepancies to the Architect. All details shown on this drawing including Annotations are based upon typical site conditions related to the work. No responsibility can be accepted for dimensional conditions which may be discovered during construction unless reported to the Architect at the earliest opportunity may be considered. All site surveys are recommended for approval of boundaries to establish specific conditions before construction is undertaken. This drawing is broken 1/ the amount of information contained and does not purport to contain a full specification of the works. It is issued for the purpose of obtaining 'tendering'. Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to ensure workmanship, submission of the materials, adherence to the standards to be used and the drawings, details and all approvals are to be used. Read and labelled site in strict accordance with manufacturer's instructions and relevant codes of practice. Manufacturer and supplier's acceptance of the work shown on this drawing or any other European standards. The Employer/Client is advised that the submitted approvals is not a guarantee of safety or stability and does not constitute a guarantee of performance with regard to building regulation for building sites and work places. The Employer/Client is advised that should the works
