

Westbury Range – Unglazed

JELD-WEN = (Jelson)

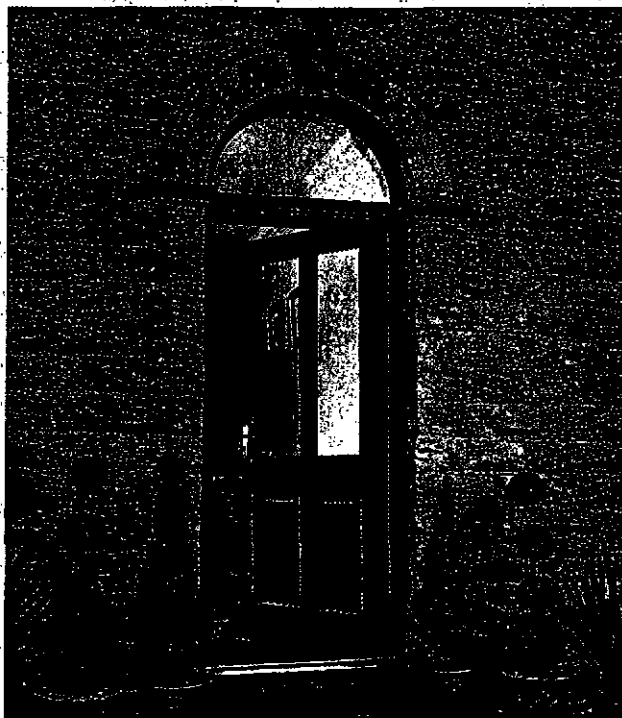

We supply this range of doors unglazed, to give you maximum choice over which glass best complements your style of home. You can also choose your own type of stain finish or paint colour – so the Westbury Range allows you to be completely individual.

Available in a variety of sizes, these competitively priced doors come with glazing beads for an easier, more secure fit.

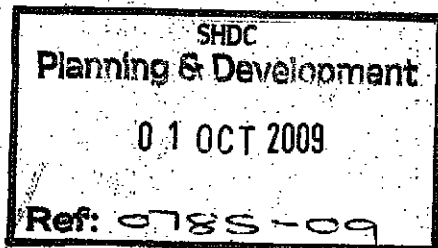

The Westbury Range is certified by the FSC (Forest Stewardship Council). This means the timber used to manufacture these doors comes from forests which are well managed according to strict environmental standards. Requires 14mm double insulated glazed units.
