Detailed on the associated drawings and plans.

The demolition comprises of only a small modification & extension to the original building that allowed the property to be used as a House of Multiple Occupation with separate GF entrances isolated & locked off from the separate divisions of the building. The removal will put the property back to its former layout.

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

It is an ugly modern addition to the building that doesn't represent its original form or aesthetics. Its removal will revert the Listed property back to its original form.
