Parking

There are six car parking spaces on church property, including one disabled space. The application records five standard car spaces and one disabled space, with no change proposed.

Additional parking is available between the path and the road. No capacity was supplied for this area, so it is excluded from the six-space total.

Space is available beside the church for mobility scooters, cycles and motorcycles. No number of designated spaces was supplied.

Employment

There is one part-time employee, the pastor, who works four days over the week, usually totalling 32 hours, with additional hours as required. No change to this employment arrangement is expected.
