David,

I've just literally got the information back- see extract from the architect's email below:

Meter cab is 2267mm but will need to be on a 450mm base due the FRA requirements.

Kind Regards,

Dear Michael,

The report is being finalised and I should hopefully be able to put it through for the sign off shortly.

One quick question. Can you please confirm the height of the meter cabinet on the proposed site plan, and the height of the platform on which it sits?

Kind regards,

Mr David Grant | Senior Planning Officer | **South Holland District Council**
