Dear Sir,

Part demolition and containment and repair to retained section of former Old Church Schhol,St Bartholomews Church Six House Bank,West Pinchbeck for The Lincoln Diocese Trust and Board Finance.

I enclose a set of drawings and an application under a Building Notice for consent to carry out the above works. Planning Permission has already been obtained ,but in fulfillment of a condition relating to detailing of the proposed new kitchen window, 4 no. copies of drawing 2B are enclose also together with a Condition Compliance Application form.

A set of drawings have also been forwarded to the Fire Officer for his observations.

The work as detailed is to be carried out by a contractor with the major workforce made up of volanteer labour. Work will be spasmodic relying on incoming funds. In view of the fact that much of the work involved will only become apparent as we progress, we trust you will appreciate the need for submission under a Building Notice.
Demolition work has commenced.

Yours faithfully,

Mary Cresswell.

M.E.Cresswell.

Dear Madam

Part Demolition And Containment And Repair To Retained Section Of Former Old Church School, St Bartholomews Church, Six House Bank, West Pinchbeck.

I refer to your recent condition compliance submission for application reference H14/0059/91.

I note that it is proposed to have a flat soldier course over the windows which is a modern design solution. I suggest that a more suitable approach would be an arched course over the window to match other retained windows with this detailing. Alternatively some of the windows in the part of the building to be demolished have a gauged arch which could be retained and reused at this window.

I would be pleased if you would consider this suggestion and submit revised drawings showing either of these features.

Yours faithfully

Dear Sir,
Old Church School,St Batholomews Church,West Pinchbeck
Planning reference H14/0059/91.

As I understand the drawings handed in for the above kitchen window arch detail have gone astray (they were handed in on the afternoon of Friday,29th November 1991) I enclose a further 2 copies of drawings no. 2c and 3c for your consideration.

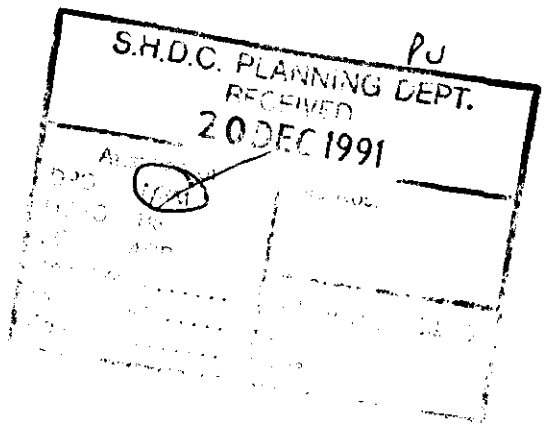

This was in compliance with your request for an arched course over and above the Planning condition 3,in your letter dated5th November 1991. We trust that this window now now meets with all possible requirements.

Yours faithfully,

M.E.Cresswell.

Dear Sir or Madam

TOWN AND COUNTRY PLANNING ACT 1990
AMENDMENT TO PROPOSED DEVELOPMENT

I have received details of the above development which you wish to have accepted in lieu of those previously submitted. However, I consider that the changes are too significant to be treated merely as an amendment and that therefore a fresh application for planning permission should be submitted (forms enclosed).

This does not imply that permission will or will not be forthcoming in respect of such a revised application, and you are reminded that approval under the Building Regulations may also be required for the revised proposal.

Yours faithfully

Dear Sir,

Part demolition of Old Church School and renovation of remainder to form Church Hall. St Batholomews Church West Pinchbeck,Spalding. Planning reference H14/0918/91.

I enclose Planning amendment forms and Building Regulation Amendment form together with amended drawi ngs 2d and 3dof the above proposal.

Since receiving the Planning and Building Regulation approvals, the Chief Fire Officer has requested a fire escape door to be fitted at the end of the main hall and this is now indicated on the enclosed amended plans together with a new small store area acheived by extending the existing lean-to roof at the rear of the premises.

We trust you will find these minor amendments acceptable without the nessessity of a fresh application.
