DO NOT [illegible] FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to this Building. All details shown on this drawing including foundations are subject to Building Control approval. Any variations to the Building Regulations requirements or conditions which may be discovered during excavation are to be reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions but no foundation mesh is specified. This drawing is limited to the amount of information considered and does not purport to constitute a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be used as a contract document or [illegible]. The works will not be examined or inspected on site by G.R. Merchant or any representative thereof. It is the duty of the Contractor and sub-contractors responsibility to control workmanship, suitability of materials, adherence to specification, variations to contract etc. All materials to be new unless otherwise stated and of commonly used materials etc. to be used sound and installed etc. in strict accordance with manufacturer's instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that their contractor is conversant with the Construction (Design and Management) Regulations 2007 and that all persons working on the Building sites and Work places, to which these Regulations apply, shall should the works need to comply with this Construction Regulations and [illegible] [illegible] no independent Planning Supervisor will be appointed. The contractor is deemed to have inspected the site and be known on the drawing and details. Work that may not specifically be shown but necessary to be carried out as necessary to carry out the works shall be deemed to be included. It is the client's responsibility to be aware of the Party Wall act, Act 1996, when building on or [illegible] by the building neighbors boundaries.
