DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photocopied or used for any other purpose other than that for which it is issued. The General Contractor to check all dimensions on site and report any discrepancies to this Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction and reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to ensure adequate site conditions for the foundations which are shown. This drawing is limited to the extent of information received by the Architect from other consultants and suppliers and is to be solely for the purpose of obtaining Planning/Building Regulation approval. This drawing must not be used as a contract document unless. The marks will not be responsible for or expected to allow for G.R. Merchant or any representative thereof, in the client or their appointed agents responsibility to control workmanship, substitution of material's, schemes by contractors, variations to contract etc.All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations as independent Planning Supervisor will be required to be appointed by the Employer / Client to co-ordinate Health and Safety. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to existing neighbors boundaries.
