SITE WORKING HOURS

To be 7.30am - 5.00pm Monday to Friday. In the event that Saturday working becomes necessary this is to be restricted to the hours of 8.30am - 1.00pm.

Materials suppliers are are to be instructed not to arrive to site prior 7.30am to avoid disturbance to neighbors or potential highway obstruction.

Light pollution management

The use of externally facing lighting is not envisaged. Site manager to monitor for change and review.

Noise Management

The site manager should monitor noise pollution across their site at all times.

Where practically possible, 'quite' equipment should be used. Machinery and equipment should only be used for the required time.

Vehicles should not be revved and engines should not be left running when not required to be in operation.

Complaints Procedure

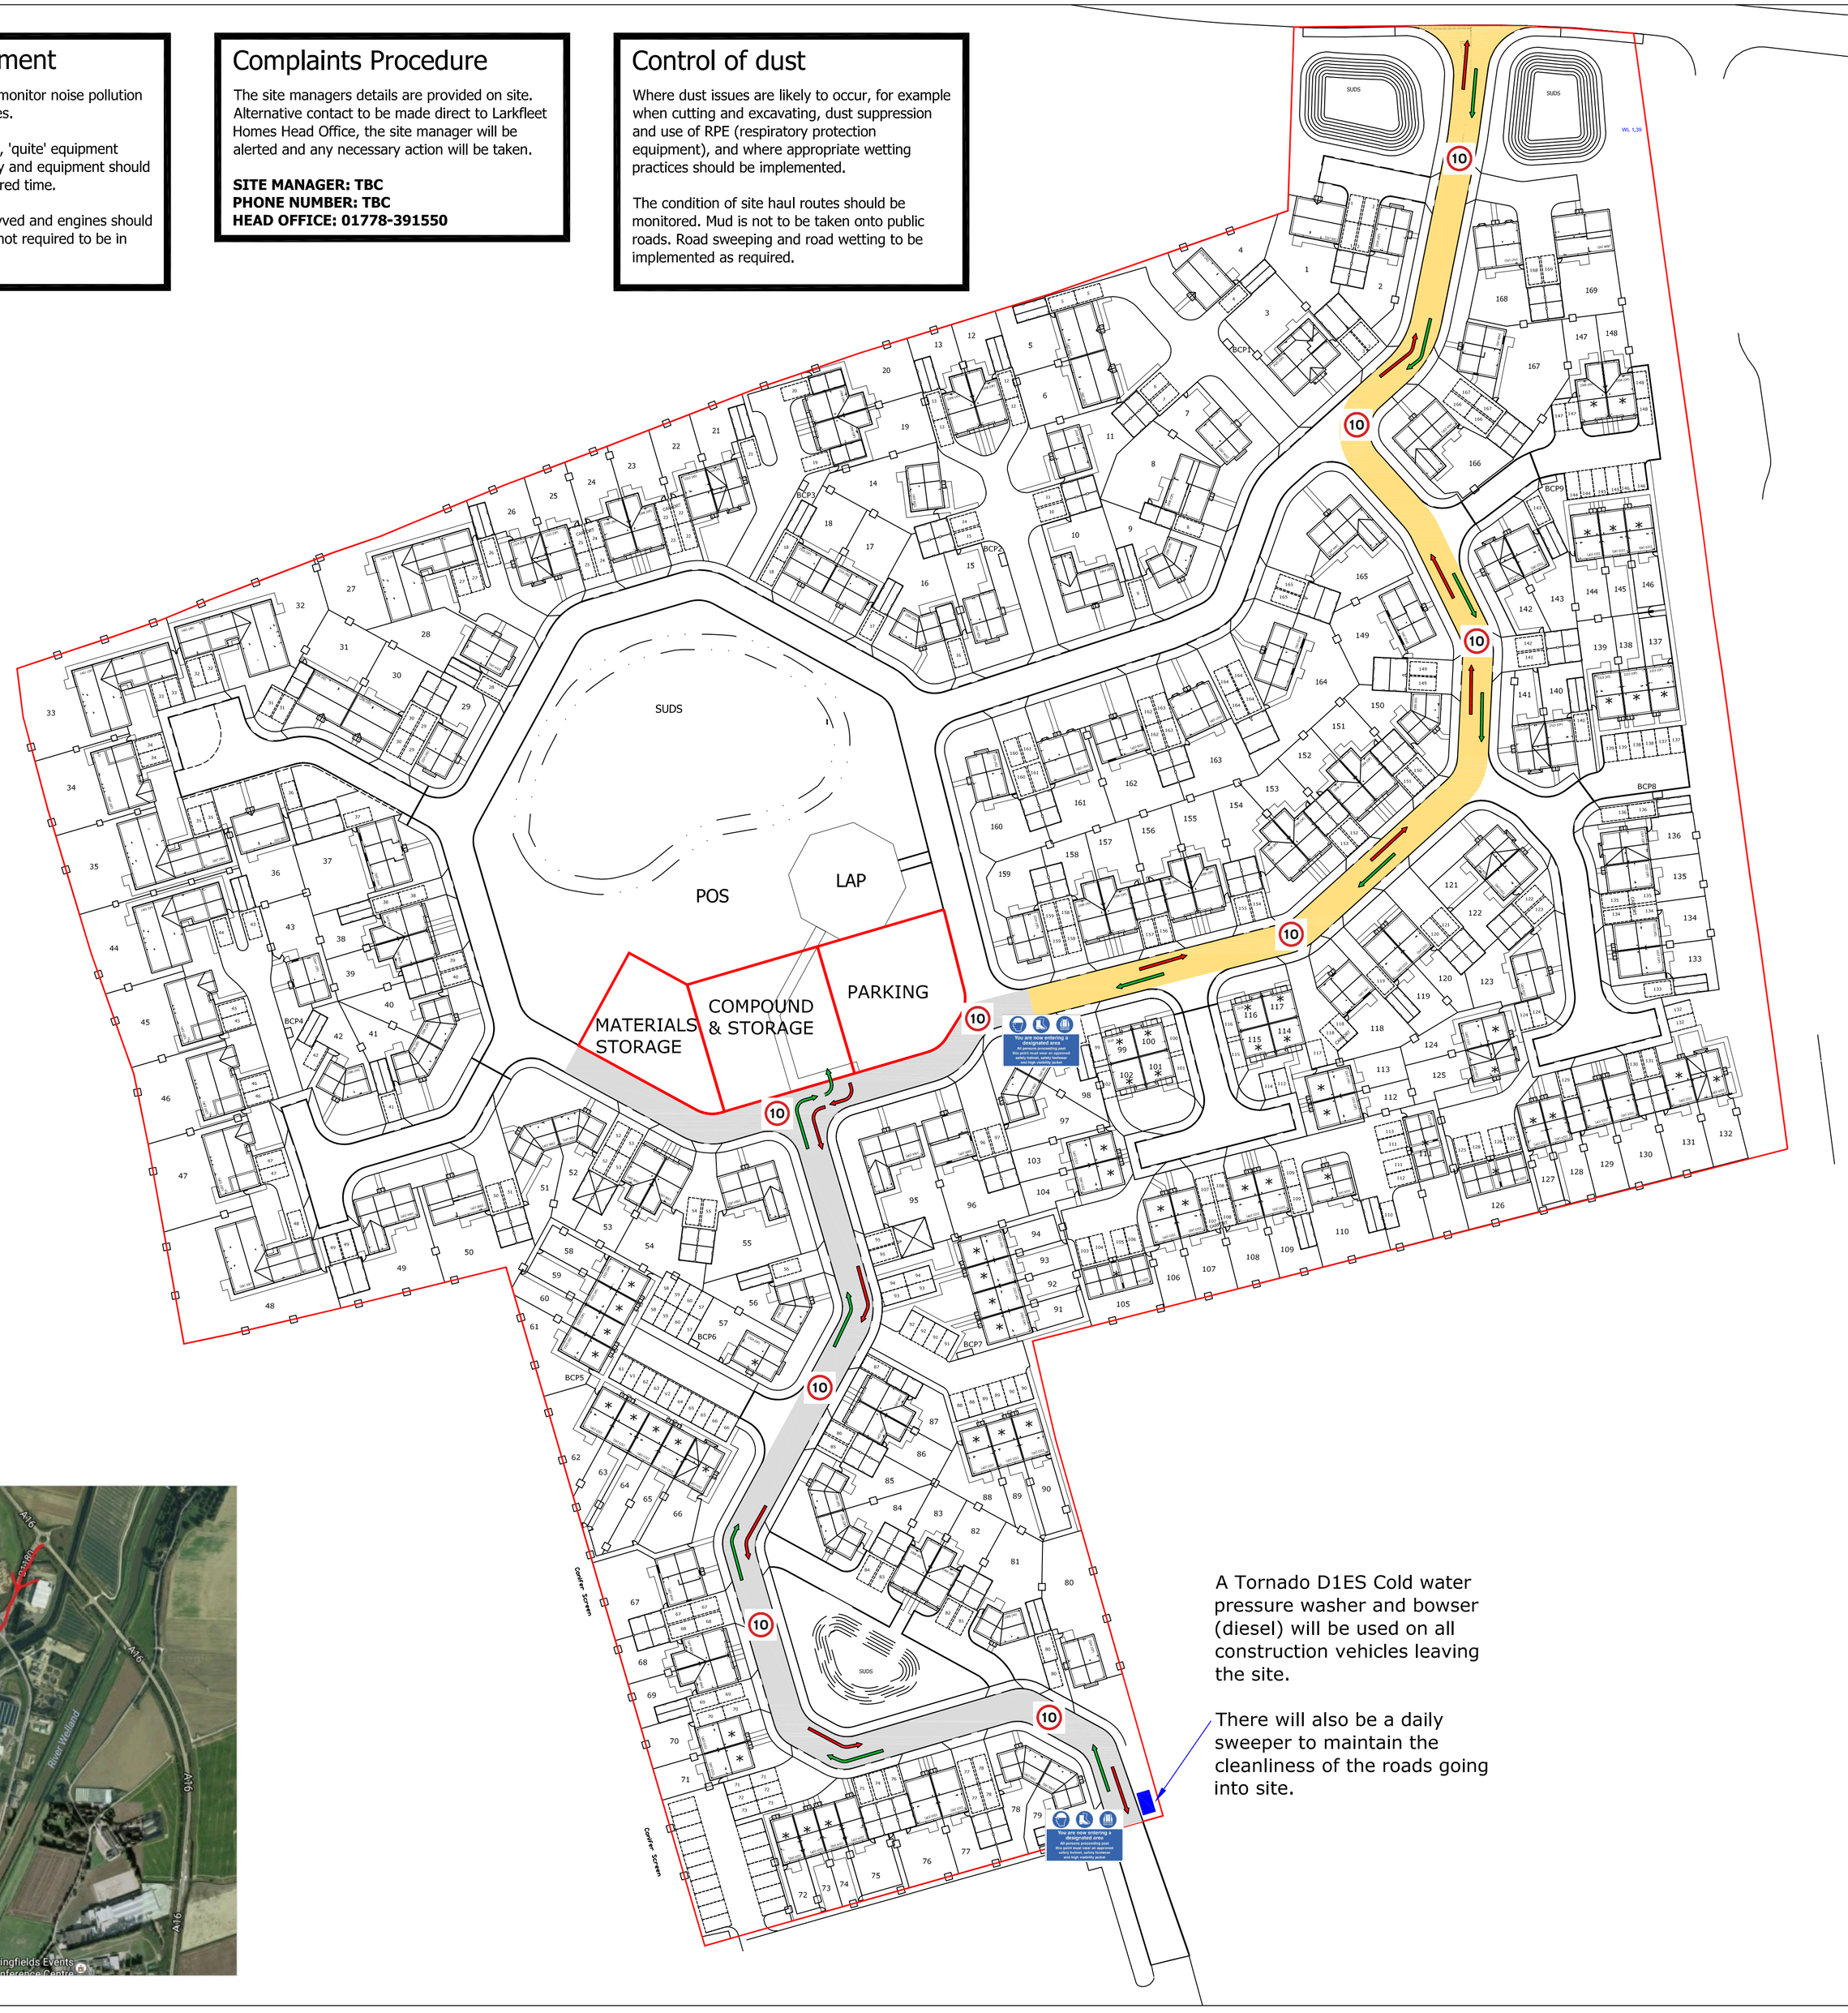

The site managers details are provided on site. Alternative contact to be made direct to Larkfleet Homes Head Office, the site manager will be alerted and any necessary action will be taken.

SITE MANAGER: TBC
PHONE NUMBER: TBC
HEAD OFFICE: 01778-391550

Control of dust

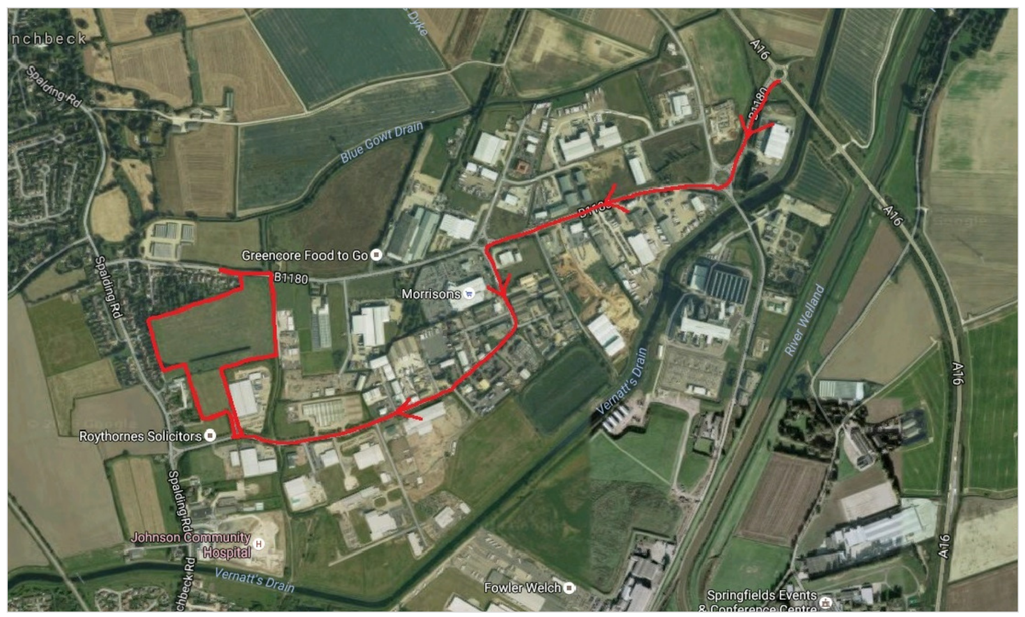

Where dust issues are likely to occur, for example when cutting and excavating, dust suppression and use of RPE (respiratory protection equipment), and where appropriate wetting practices should be implemented.

The condition of site haul routes should be monitored. Mud is not to be taken onto public roads. Road sweeping and road wetting to be implemented as required.

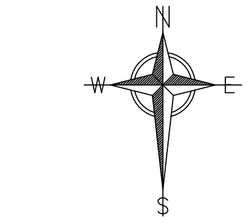

Construction Access

Head north on the A16 past Springfields Events & Conference Centre and at the next roundabout take the 1st exit onto the B1180.
At the next roundabout take the 2nd exit staying on the B1180.
At the next roundabout take the 1st exit onto Benner road.
Follow the road round a corner, it will turn into Enterprise Way.
The entrance to the site will be on your right in between UniVeg and Roythornes.

A Tornado D1ES Cold water pressure washer and bowser (diesel) will be used on all construction vehicles leaving the site.

There will also be a daily sweeper to maintain the cleanliness of the roads going into site.
