Hi Hannah

This is the statement for the planning

I have a big top tent and seating which is used for circus shows

My business is seasonal , It is normally quiet through the winter months October till April so the vehicles will be stored inside the building . The vehicles will be out over Christmas beginning of December till end of February .

During the summer months The vehicles maybe out for a number of months then return to storage for some number of weeks or months

My Vehicles that I use for my business and will be stored inside the building

1 Lorry

1 Trailer containing a big top tent

1 trailer containing seating

Vehicles on site

4 box trailers containing personal items , household goods , tools , and building materials .

Trailers will be disposed of as they are emptied

3 caravans the small tourer is for holidays , I am in the process of moving into the larger caravan and my currant one will be disposed of

I have a digger and some machinery to help in the aid of the renovation of the goods building into a dwelling

2 classic lorries

Thanks

Jeff
