A hand-drawn site plan of a property. The plan is divided into several sections by lines representing walls or boundaries. In the upper left, there is a small rectangular area labeled "EXT'G. BOUNDARY WALL RETAINED." To its right is a larger area labeled "PARKING OIL STORAGE ETC". Below these two areas is a large rectangular area labeled "EXT'G. GARAGE RETAINED." In the upper right corner, there is a small, irregularly shaped area with a dashed line around it, possibly representing a garden or a specific feature. The drawing is done in a simple, sketchy style with lines and text.

Hand-drawn floor plan of a three-unit residential building. The plan shows three units, each with a living area, kitchen/dining area, bathroom, and entry. Unit 1 (left) includes a utility room and coat closet. Unit 2 (middle) includes a utility room and a covered area for drying boots and bikes. Unit 3 (right) includes a utility room and a covered area for drying boots and bikes. The plan also shows a common area with a sink, chest freezer, washing machine, and oil-fired boiler. The plan is labeled with 'UNIT 1.', 'UNIT 2.', and 'UNIT 3.' and includes various room labels like 'LIVING.', 'KIT/DIN.', 'BATH.', 'ENTRY.', 'UTILITY.', 'COATS.', 'SINK', 'CHEST FREEZER [FOR FISH]', 'WASHING MACHINE.', and 'OIL-FIRED BOILER.'

Architectural floor plan of a three-unit building. The plan is divided into three units: UNIT 1 (left), UNIT 2 (middle), and UNIT 3 (right). A central corridor provides access to each unit. UNIT 1 contains BED 2 and BED 3. UNIT 2 contains BED 1 and BED 2. UNIT 3 contains BED 1, BED 2, and BED 3. Each unit includes a bathroom (BATH) and a kitchen (KITCHEN). A central landing area is located between the units. The plan also shows a GLAZED ROOF AREA and a NEW PANTILED ROOF. The drawing is dated 1/74.
