UNIVERSITY ACADEMY HOLBEACH

Lunchtime Supervisor

The salary is pro-rata for 15 hours per week for 40 weeks (Including 5 training days)

A lunchtime supervisor is sought to support the supervision and organisation of pupils during the school lunch hour.

This is a term time post and will require the successful applicant to have an interest in working in a secondary school setting.

You will be flexible and able to work as part of a team with a willingness to undertake any necessary training including that of food hygiene. A clean and tidy appearance is essential as is the ability to work under supervision and with young people.

The hours of work will be from 11pm-2pm daily. An ability to work additional hours at short notice to cover absences and busy periods would be an advantage.

Key duties include maintaining a clean eating area and tidying at the end of the break. On occasions it may be necessary to operate the cashless till system.
