This drawing is copyright and may not be altered, reused, photographed or used for any other purpose unless that be with the written consent of G. R. Merchant. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing/building operations are based upon typical site conditions noted at the time. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect as the design assessments may be undertaken. Site surveys are recommended in respect of foundations to establish whether site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is therefore to be read in conjunction with any specifications thereof, it is the client or their appointed agents responsibility to ascertain if any representations, substitution of materials, alternations to specification, variations to contract etc. As to whether or not they are to be used in the construction of the building. The works will not be submitted or to be used as a contract document alone. The works will be submitted or to be used as a contract document alone. The works will not be submitted or to be used as a contract document alone. The works will not be submitted or to be used as a contract document alone. The works will not
