DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The Owners/ Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including boundaries are based upon topographic readings related to the area. No responsibility is held by the Architect for any inaccuracies in the survey information supplied. Any boundary not specified by the Architect as that person immediately adjacent to be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approvals. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to note:- workmanship, substitution of materials, adherence to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or equivalent code equivalent. The Employer / Client shall ensure that the selected contractor is familiar with and adopts all measures necessary to achieve compliance with Health and Safety legislation. The Contractor shall be responsible for ensuring that all building work in connection with this contract is to comply with the Construction (Design and Management) Regulations and a Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
