TOWN AND COUNTRY PLANNING ACT 1990

SECTION 73A CONTINUATION

Reference:	H15-0133-26	**Date of Decision:**	13th May 2026
Applicant:	Salboy Construction Management Ltd. 3 Crescent Salford Manchester M5 4PF		
Location:	Land Adj. Crossroads Nurseries Main Road Quadring Spalding		
Description:	Erection of 59 dwellings & associated works - approved under H15-0014-22. Modification of Condition 18 to amend wording relating to Biodiversity Net Gain Plan to demonstrate a minimum of 10% on-site gain		

South Holland District Council hereby give notice that permission has been GRANTED (or equivalent) subject to the following condition(s):

1 The development hereby permitted shall be carried out in accordance with the following approved plans and/or documents:

H15-0133-26

4141/2000 - Site Location Plan

H15-0014-22

4141/2001 P7
4128/2010 P3
4141/2020 P2
4141/2030 P3
4141/2040 P2
4141/2050 P4
4141/2060 P4

4141/2070 P1
4141/2080
4141/2090 P1
4141/3000
8896-501-001
Flood Risk Assessment (prepared by S M Hemmings, dated 21st January 2022)
Phase 2 Pre-Determination Archaeological Field Evaluation (Phase 2) (prepared by Neville Hall, dated December 2021)
Drainage Strategy Report (prepared by Barter Hill Partnership Limited Consulting Engineers, dated February 2022)

H15-0894-22

Construction Phase Plan (dated August 2022)
Landscape Management Plan (dated November 2022)
Confirmation from Stinders Homes of management company to be set up
Phase I Land Contamination Assessment (A F Howland Associates, dated 19th October 2021)
Written Scheme of Investigation for Archaeological Monitoring (Independent Archaeology Consultants (September 2022)

Reason: For the avoidance of doubt and in the interests of proper planning.

2 The development hereby permitted shall be carried out in accordance with the contamination details as submitted and approved as part of discharge of conditions approval H15-0894-22.

Reason: To ensure the satisfactory remediation of contaminated land and/or waters.
This Condition is imposed in accordance with Policy 30 of the South East Lincolnshire Local Plan, 2019.

3 The development shall be carried out in accordance with the archaeological mitigation as submitted and approved as part of discharge of conditions approval H15-0894-22.

Reason: In the interests archaeological mitigation in accordance with national guidance contained in Section 16 of the National Planning Policy Framework, December 2024. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policy 29 of the South East Lincolnshire Local Plan, 2019.

4 During the construction period, the area indicated as open space shall be fenced off in order to ensure that the remains intended to be protected can be successfully 'preserved in situ'. The fencing shall include signage identifying it as an area of archaeological importance, and that it must not to be used for excavation, dumping of spoil, or storage of plant etc. Any variation of this should be submitted to and approved in writing by the Local Planning Authority.

DC_FINAL_DECISION - ODB:14

Reason: To ensure that the remains intended to be protected can be successfully 'preserved in situ'.
This Condition is imposed in accordance with Policy 29 of the South East Lincolnshire Local Plan, 2019.

5 Within six months from the date of this decision, a scheme for on-site foul water drainage works, including connection point and discharge rate, shall be submitted to and approved in writing by the Local Planning Authority. Prior to the occupation of any phase, the foul water drainage works relating to that phase must have been carried out in complete accordance with the approved scheme.

Reason: To prevent environmental and amenity problems arising from flooding.
This Condition is imposed in accordance with Policies 2, 3 and 30 of the South East Lincolnshire Local Plan, 2019.

6 The management and maintenance schedule for the areas of landscaping, incidental open space, refuse/recycling collection points and parking courts/private drives shall be carried out in accordance with details submitted and approved as part of discharge of conditions approval H15-0894-22.

Reason: To ensure that adequate provision is made for the management and maintenance of the those areas.
This Condition is imposed in accordance with Policies 2, 3 and 30 of the South East Lincolnshire Local Plan, 2019.

7 The construction management shall be carried out in accordance with details submitted and approved as part of discharge of conditions approval H15-0894-22.

Reason: In the interests of the amenity of local residents. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

8 Within six months from the date of this decision, an Estate Road Phasing and Completion Plan shall be submitted to and approved in writing by the Local Planning Authority. The permitted development shall be undertaken in accordance with the approved Estate Road Phasing and Completion Plan.

The Plan shall set out how the construction of the development will be phased and standards to which the estate roads on each phase will be completed during the construction period of the development.

Reason: To ensure that a safe and suitable standard of vehicular and pedestrian access is provided for residents throughout the construction period of the development.
This Condition is imposed in accordance with Policy 2 of the South East Lincolnshire Local Plan, 2019.

9 The proposed site levels and proposed floor levels of the buildings, hard surfaced areas and garden/amenity areas shall be carried out in accordance with details submitted and approved as part of discharge of conditions approval H15-0894-22.

Reason: To reduce the risk of flooding of the development and to ensure that the Local Planning Authority retains control over the finished site and floor levels of the development, in the interests of the amenity of adjacent residents and its visual and architectural relationship with adjacent development. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policies 2, 3 and 4 of the South East Lincolnshire Local Plan, 2019.

10 The development hereby permitted shall be carried out in accordance with the measures set out in the Flood Risk Assessment (prepared by S M Hemmings, dated 21st January 2022) forming part of planning application H15-0014-22, unless otherwise agreed in writing by the Local Planning Authority, in particular the following measures shall be fully implemented before the property is first occupied:

- Finished floor levels shall be set at least 300mm above existing ground level, which is 3.4m OD for houses with all sleeping accommodation at first floor

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding.
This Condition is imposed in accordance with Policies 3 and 4 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 14 of the National Planning Policy Framework, December 2024.

11 Prior to its installation, details of the proposed boundary treatments, including a schedule of fencing levels, heights and materials, and details of the size and species of any hedging, shall be submitted to and approved in writing by the Local Planning Authority, and the details so approved shall be implemented in full before the development is first brought into use and retained thereafter.

Note: Where levels are raised above existing ground levels, the submission shall be supported by cross-sectional drawings showing the relationship with adjoining uses and buildings to enable the Local Planning Authority to be satisfied that sufficient mitigation measures will be in place.

Reason: In the interests of the character and appearance of the development and the amenity of the area in which it is set including the amenity of nearby occupiers.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

12 Within six months from the date of this decision, the approval of the Local Planning Authority is required to a scheme of landscaping and tree planting for the site (including screening of bin collection points) indicating, inter alia, the number, species, heights on planting and positions of all the trees, together with details of post-planting maintenance. Such scheme as is approved by the Local Planning Authority shall be carried out and completed in its entirety during the first planting season following practical completion of the development. All trees, shrubs and bushes shall be maintained by the owner or owners of the land on which they are situated for the period of five years beginning with the date of completion of the scheme and during that period all losses shall be made good

as and when necessary.

Reason: To ensure that the development is adequately landscaped, in the interests of its visual amenity and that of the area in which it is set, and that Biodiversity Net Gain will be achieved.
This Condition is imposed in accordance with Policies 2, 3 and 28 of the South East Lincolnshire Local Plan, 2019 and the Environment Act 2021.

13 Three swift nest bricks shall be incorporated within the external walls of the dwellings hereby approved at first floor level and shall be retained thereafter.

Reason: In the interests of biodiversity.
This Condition is imposed in accordance with Policy 28 of the South East Lincolnshire Local Plan, 2019.

14 Within six months from the date of this decision, a biodiversity gain plan shall be submitted to and approved in writing, by the Local Planning Authority. The development shall then be carried out in accordance with the details as approved.

Reason: To comply with Schedule 7A of the Town and Country Planning Act (1990, as amended).
This Condition is imposed in accordance with Schedule 7A of the Town and Country Planning Act (1990, as amended) and Policy 28 of the South East Lincolnshire Local Plan, 2019.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and subsequently determining to grant planning permission.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

Biodiversity Net Gain

The applicant's attention is drawn to the following Biodiversity Net Gain requirement.

The effect of Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 is that planning permission is deemed to have been granted subject to the "biodiversity gain condition". The effect of this "biodiversity gain condition" is that development granted by this notice must not begin unless:

(a) a Biodiversity Gain Plan has been submitted to the planning authority, and

(b) the planning authority has approved the plan, or

(c) the development is exempt from the biodiversity gain condition.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission would be South Holland District Council.

This permission will require the submission and approval of a Biodiversity Gain Plan and Habitat Management and Monitoring Plan (HMMP before development is begun). This is over and above the information submitted and considered as part of this application, and will be required before development is begun, because none of the statutory exemptions or transitional arrangements listed below are considered to apply.

For guidance on the contents, in respect of the details that must be submitted and agreed by the Local Planning Authority, prior to the commencement of the consented development, please see the GOV.uk website and Planning Practice Guidance.

Statutory exemptions and transitional arrangements

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at
https://www.gov.uk/guidance/biodiversity-net-gain.

For clarity, the Local Planning Authority do not consider that any of the exemptions apply in this case. As such, the development hereby permitted will be subject to the biodiversity gain condition.

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

For clarity the LPA do not consider that irreplaceable habitats are present at this site.

The Biodiversity Gain Plan must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the irreplaceable habitat.

The planning authority can only approve a Biodiversity Gain Plan if satisfied that the adverse effect of the development on the biodiversity of the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits.

Effect of Section 73(2D) of the 1990 Act

Under Section 73(2D) of the Town and Country Planning Act 1990 (as amended) where

(a) a biodiversity gain plan was approved in relation to the previous planning permission

("the earlier biodiversity gain plan"), and

(b) the conditions subject to which the planning permission is granted:

(i) do not affect the post-development value of the onsite habitat as specified in the earlier biodiversity gain plan, and

(ii) in the case of planning permission for a development where all or any part of the onsite habitat is irreplaceable habitat within the meaning of regulations made under paragraph 18 of Schedule 7A, do not change the effect of the development on the biodiversity of that onsite habitat (including any arrangements made to compensate for any such effect) as specified in the earlier biodiversity gain plan.

- the earlier biodiversity gain plan is regarded as approved for the purposes of paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended) in relation to the planning permission.

This planning permission is subject to an Agreement under Section 106 of the Town & Country Planning Act 1990 dated 25th August 2022 and varied on 21st November 2025, and can only be implemented as a consequence of meeting the provisions of that Agreement.

Phil Norman
Assistant Director - Planning and Strategic Infrastructure
South Holland District Council

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control team for further information on 01775 764557 or bcadmin@sholland.gov.uk

BUILDING REGULATIONS 2010:
The plans given approval as part of this application, may require the provision of additional information or amendment to show compliance the relevant requirements of the Building Regulations 2010. Typical circumstances include, highly glazed extensions achieving compliance with requirement L1 (Conservation of fuel and power) which may influence the areas of glazed elements/ building elevations, or requirement B1 (Means of warning and escape) which may influence an internal layout for fire safety purposes. Please contact the Building Control team for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

https://www.gov.uk/appeal-householder-planning-decision

https://www.gov.uk/appeal-planning-decision

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: **https://appeal-planning-decision.service.gov.uk/before-you-start**. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
