Application H15-0600-17
Location 88 MAIN ROAD QUADRING SPALDING PE11 4PW
Proposal Change of use from residential to residential/keeping of dogs (over 6) - retrospective.

Name Noise and Contaminated Land
Address Environmental Health Technician Safety and Environment

Date Submitted 08-08-17
For/Against Comments

Whilst to date we have not received complaints of noise or odour, given the location of the property, there is potential for there to be an issue. In the circumstances I would not wish to see an increase in the number of dogs (which I believe is currently 14).

Should permission be granted I would ask that it be personal to the applicant.
