TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H15-0806-24 **Date of Decision:** 11th February 2025

Applicant: Mr & Mrs I Trevor
54 West End Road
Frampton
Boston
PE20 1BT

Location: The Ferns Beck Bank Quadring Fen Spalding

Description: Demolition of existing building and erection of replacement dwelling

South Holland District Council hereby give notice that permission has been GRANTED (or equivalent) subject to the following condition(s):

1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans and/or documents:

Application Form
6472 PL2 rev B
6472 PL1 rev G
6472 PL3
BNG Exemption Statement
ES159 - Arboricultural Impact Assessment - September 2024
ES159 - Protected Species Survey - September 2024
ECB/5510 - Asbestos Refurbishment/Demolition Survey
ES159-L086-001 - Tree Constraints Plan

Reason: For the avoidance of doubt and in the interests of proper planning.

3 Prior to the first occupation of the dwelling hereby permitted, the existing dwelling on the site shall be demolished and all rubble and associated materials, except where required for re-use within the permitted development, cleared from the site.

Reason: To ensure that the existing dwelling is demolished.
This Condition is imposed in accordance with Policy 22 of the South East Lincolnshire Local Plan, 2019.

4 The materials of the external surfaces (block and render, brick base, timer/timber effect cladding, roof tiles, windows and doors) of the development hereby permitted shall be carried out in accordance with the details outlined within the application form and approved plans.

Reason: In the interests of the architectural and visual integrity of the overall development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

5 Where trees are shown on drawing number 6472 PL2 rev B to be retained on site they shall be protected during construction work as follows:

i)chestnut pale or similar fencing 1.5 metres in height shall be provided around the trees to be retained before development is commenced at a minimum distance from the trunks equal to the spread of the crowns of the trees. No materials, equipment, site huts, fuels or other items shall be placed or stored within the areas enclosed by the fencing so erected and the ground levels within those areas shall not be altered, nor shall any excavation be made,
ii)no burning of materials or other items shall take place within 3 metres of the crown spread of any of the trees to be retained;
iii)no services shall be routed under the spread of the crowns of the trees to be retained;
iv)no retained tree shall be cut down, up-rooted, destroyed, topped or lopped unless first agreed in writing by the Local Planning Authority;
v)if any tree which is to be retained dies or is to be removed it shall be replaced within six months thereafter with a tree of such size and species which shall be first be agreed in writing by the Local Planning Authority.

Reason: To ensure the protection of trees on the site.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019 and Section 15 of the National Planning Policy Framework, December 2024.

6 The development hereby permitted shall be carried out in accordance with the measures set out in the Flood Risk Assessment (ECL1085/OGLESBY & LIMB LTD) forming part of this planning application, unless otherwise agreed in writing by the Local Planning Authority. In particular, the following measures shall be fully implemented before the property is first occupied:

DC_FINAL_DECISION - ODB:14

- The finished floor level of the dwelling must be 0.3m above typical ground level
- There must be 0.3m of flood resilient construction above finished floor level

Note: The above approved plan does not constitute final approval of detailed site levels or finished floor levels.

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding.
This Condition is imposed in accordance with Policies 3 and 4 of the South East Lincolnshire Local Plan, 2019 and Section 14 of the National Planning Policy Framework, December 2024.

7 Except in such an instance where the site levels will not be increased beyond those existing prior to development on site, before the commencement of the development hereby permitted, full details of the existing and proposed site levels and the proposed floor levels of the buildings, hard surfaced areas and garden/amenity areas, including any mitigation measures arising as a consequence (for example increased height of boundary treatment), shall be submitted to and approved in writing by the Local Planning Authority. The development shall be constructed and retained in accordance with the details so approved.

Note: Site levels and finished floor levels have not been approved. Where levels are raised above existing ground levels, the submission shall be supported by cross-sectional drawings showing the relationship with adjoining uses and buildings to enable the Local Planning Authority to be satisfied that sufficient mitigation measures will be in place.

Reason: To ensure that the Local Planning Authority retains control over the finished site and floor levels of the development, in the interests of the amenity of adjacent residents and its visual and architectural relationship with adjacent development. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policies 2, 3 and 4 of the South East Lincolnshire Local Plan, 2019.

8 The boundary treatments must be erected in accordance with those shown within drawing number '6472 PL2 rev B' and shall be implemented in full before the development is first brought into use and retained thereafter.

Reason: In the interest of privacy and amenity.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019 and Section 12 of the National Planning Policy Framework, December 2024.

9 Notwithstanding the provisions of Schedule 2, Part 1, Class A and Class D of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order or Statutory Instrument revoking and re-enacting that Order), no enlargement, improvement or other alteration to the dwellinghouse, and no construction of a porch, other than those illustrated on the plans and forming part of the application hereby authorised by this permission, shall be carried out without planning permission first having

DC_FINAL_DECISION - ODB:14

been granted by the Local Planning Authority.

Reason: To ensure that the Local Planning Authority retains control over the future development, additions and alterations, in the interests of its architectural and visual integrity, levels of residential amenity and the visual amenity and character of the area within which it is set.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019 and Section 12 of the National Planning Policy Framework, December 2024.

10 Three swift nest bricks shall be incorporated within the external walls of the dwelling hereby approved and shall be retained thereafter.

Reason: In the interests of biodiversity.
This Condition is imposed in accordance with Policy 28 of the South East Lincolnshire Local Plan, 2019.

11 The water consumption of each dwelling hereby permitted should not exceed the requirement of 110 litres per person per day (as set out as the optional requirement in Part G of the Building Regulations 2010 and the South East Lincolnshire Local Plan, 2019). The person carrying out the work must inform the Building Control Body that this duty applies. A notice confirming the requirement for the water consumption has been met shall be submitted to the Building Control Body and Local Planning Authority, no later than five days after the completion of each individual dwelling.

Reason: To protect the quality and quantity of water resources available to the district.
This Condition is imposed in accordance with Policy 31 of the South East Lincolnshire Local Plan, 2019.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

Biodiversity Net Gain

The applicant's attention is drawn to the following Biodiversity Net Gain requirement.

The effect of Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 is that planning permission is deemed to have been granted subject to the "biodiversity gain condition". The effect of this "biodiversity gain condition" is that development granted by

DC_FINAL_DECISION - ODB:14

this notice must not begin unless:

(a) a Biodiversity Gain Plan has been submitted to the planning authority, and

(b) the planning authority has approved the plan, or

(c) the development is exempt from the biodiversity gain condition.

For guidance on the contents, in respect of the details that must be submitted and agreed by the Local Planning Authority, prior to the commencement of the consented development, please see the GOV.uk website and Planning Practice Guidance.

Statutory exemptions and transitional arrangements

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at
https://www.gov.uk/guidance/biodiversity-net-gain.

Based on the information available and submitted in support of this application, the Local Planning Authority considers that the development hereby permitted is exempt and therefore will not require the approval of a biodiversity gain plan, prior to the commencement of development; with the development comprising a statutory exemption as listed below: -

The development is a self-build/custom housebuilding and is therefore exempt from the need for biodiversity net gain.

As such, the development hereby permitted will not be subject to the biodiversity gain condition.

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

For clarity the LPA do not consider that irreplaceable habitats are present at this site.

The Biodiversity Gain Plan must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the irreplaceable habitat.

The planning authority can only approve a Biodiversity Gain Plan if satisfied that the adverse effect of the development on the biodiversity of the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits.

DC_FINAL_DECISION - ODB:14

Effect of Section 73(2D) of the 1990 Act

Under Section 73(2D) of the Town and Country Planning Act 1990 (as amended) where

(a) a biodiversity gain plan was approved in relation to the previous planning permission ("the earlier biodiversity gain plan"), and

(b) the conditions subject to which the planning permission is granted:

(i) do not affect the post-development value of the onsite habitat as specified in the earlier biodiversity gain plan, and

(ii) in the case of planning permission for a development where all or any part of the onsite habitat is irreplaceable habitat within the meaning of regulations made under paragraph 18 of Schedule 7A, do not change the effect of the development on the biodiversity of that onsite habitat (including any arrangements made to compensate for any such effect) as specified in the earlier biodiversity gain plan.

- the earlier biodiversity gain plan is regarded as approved for the purposes of paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended) in relation to the planning permission.

This Certificate is subject to a Unilateral Undertaking under Section 106 of the Town & Country Planning Act 1990 (as amended) dated 7th February 2025 and the development shall be carried out in strict accordance with the provisions of that Undertaking at all times.

Phil Norman
Assistant Director - Planning and Strategic Infrastructure
South Holland District Council

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

https://www.gov.uk/appeal-householder-planning-decision

https://www.gov.uk/appeal-planning-decision

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
