Dear Brian,

RE: PLANNING APPLICATION FOR FENCE TO BE ERECTED AT CROSSROADS NURSERIES, SARAGATE FOR THE PURPOSE OF SAFETY AND SECURITY

We have, in the past few months found that our site as above is becoming a Mecca for the local children, and so find it necessary to fence it which we would have done and been in contravention of the Planning Rules had it not been for a conversation I had with one of your staff.

The need to fence is fairly immediate, materials are ready and we would like to start as soon as possible to save any further risk of accident.

The children are entering the site from the road away from the house owned by Mr. Creasey who does a good job of protecting the entrance, we feel if we can make it so that it is only possible to enter the site at one point this would stop the problem, but if it becomes necessary we will have to gate the site as well.

This I feel is inevitable, so while applying for the fence we would like to gate it as well. As a gate would be a portable item this probably does not need permission, but if it does, can we have permission?

I look forward to hearing from you in due course.

Yours sincerely,

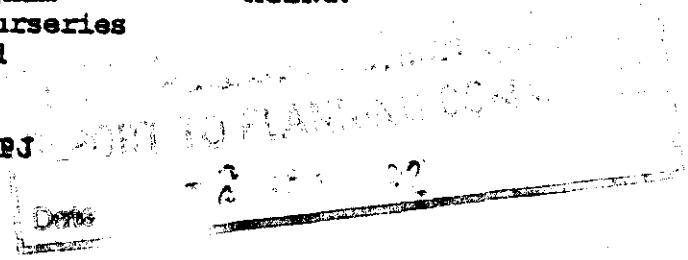

R.J. BINGHAM,
CROSSROADS NURSERIES.

TYPE: Full

DESCRIPTION: Installation of 2 metre high fence and erection of gate

LOCATION: Sarahgate Nursery, Sarahgate, Quadring

Parish Council: No objections.

Ward Member: No objections.

Information from Applicant: Fence is needed to prevent children entering the site.

Public Objections: From: Holland House, Middlegate Road, Frampton, Boston (Owner of adjacent land)

- Concerned about the fence being erected on the edge of the dykes bank. How will the applicant mow and tidy up this dyke side?
- The application is welcomed so long as the applicant does not take access over adjacent land not in his ownership.

CONCLUSIONS

1 This is a straightforward application for a 2m high post and wire fence and the points raised by the objector are not planning matters.

2 In my opinion it is up to the applicant and adjacent owner to sort out the issue of access to maintain the bank of the dyke.

Dear Mrs Caughey

Thank you for forwarding application H15/0966/91, and your helpfulness over the matter.
Further to our telephone conversation, I welcome screening of the nursery site along the Sarahgate Road Quadring, as this will greatly enhance the appearance of the place.

The 20 metres along the adjacent dyke bank to my holding at Sarahgate is the one area I have concern about.
If this fence is erected immediately on the dyke bank then how is the gentleman in question going to mow and tidy up his dyke side?

If it is assumed that access is gained from my property, then that is subject to another application altogether, a neighbourly word would have been welcome.

If however the fence is erected with sufficient room for Mr Bingham to carry out his dyke mowing operations, between the dyke and fence, then I have absolutely no objections whatsoever. I would welcome this application providing that no access is expected to be granted regarding my adjacent property.

In practice the erection of the fence would contain the nursery debris, i.e. polystyrene trays and packaging, which now contaminates the shared watercourses. So full marks to Mr. Bingham for his initiative.

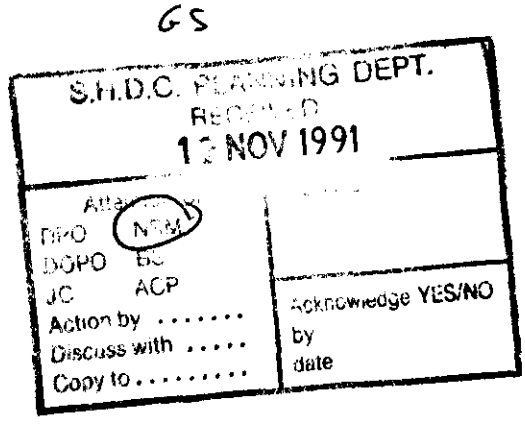

Thanking youself for your attention to the matter in hand, and look forward to hearing from you in the near future.

Yours sincerely

Tim Sharpe
