# PLANNING

Image 1: Aerial View looking West, highlighting area for the proposed PV panels.

Image 2: View from the top of existing grass mound, illustrating natural screening from North Drove Road (right). Indicative area for PV panels (hatched).

Image 3: View from the top of existing grass mound looking down towards North Drove Road. Existing natural screening between mound and main road.

Image 4: View at road level from North Drove Road, showing natural screening concealing top of grass mound.

Image 5: Supplier sample image of proposed PV panels system.

Image 6: Supplier sample image of ground mounting ballasted system for proposed PV panels.
