

Condition

A.1 Development is permitted by Class A subject to the condition that the use is discontinued when the circumstances specified in paragraph A.2 cease to exist, and all caravans on the site are removed as soon as reasonably practicable.

Interpretation of Class A

A.2 The circumstances mentioned in Class A are those specified in paragraphs 2 to 10 of Schedule 1 to the 1960 Act (cases where a caravan site licence is not required), but in relation to those mentioned in paragraph 10 do not include use for winter quarters.

Class B – development on caravan site required by conditions

Permitted development

B. Development required by the conditions of a site licence for the time being in force under the 1960 Act.

Class C – use of land by members of certain recreational organisations

Permitted development

C. The use of land by members of a recreational organisation for the purposes of recreation or instruction, and the erection or placing of tents on the land for the purposes of the use.

Development not permitted

C.1 Development is not permitted by Class C if the land is a building or is within the curtilage of a dwellinghouse.

Interpretation of Class C

C.2 For the purposes of Class C, “recreational organisation” means an organisation holding a certificate of exemption under section 269 of the Public Health Act 1936 (power of local authority to control use of moveable dwellings)(a).

PART 6

Agricultural and forestry

Class A – agricultural development on units of 5 hectares or more

Permitted development

A. The carrying out on agricultural land comprised in an agricultural unit of 5 hectares or more in area of—

(a) works for the erection, extension or alteration of a building; or

(a) 1936 c. 49; relevant amendments are made by section 30(1) of, and Schedule 4 to, the Caravan Sites and Control of Development Act 1960 (c. 62) and Schedule 6 to the Building Act 1984 (c. 55).

*(b) any excavation or engineering operations,
which are reasonably necessary for the purposes of agriculture within that unit.*

Development not permitted

A.1 Development is not permitted by Class A if—

- (a) the development would be carried out on a separate parcel of land forming part of the unit which is less than 1 hectare in area;
- (b) it would consist of the erection or extension of any agricultural building on an established agricultural unit (as defined in paragraph X of Part 3 of this Schedule) where development under Class Q or S of Part 3 (changes of use) of this Schedule has been carried out within a period of 10 years ending with the date on which development under Class A(a) begins;
- (c) it would consist of, or include, the erection, extension or alteration of a dwelling;
- (d) it would involve the provision of a building, structure or works not designed for agricultural purposes;
- (e) the ground area which would be covered by—
 - (i) any works or structure (other than a fence) for accommodating livestock or any plant or machinery arising from engineering operations; or
 - (ii) any building erected or extended or altered by virtue of Class A, would exceed 465 square metres, calculated as described in paragraph D.1(2)(a) of this Part;
- (f) the height of any part of any building, structure or works within 3 kilometres of the perimeter of an aerodrome would exceed 3 metres;
- (g) the height of any part of any building, structure or works not within 3 kilometres of the perimeter of an aerodrome would exceed 12 metres;
- (h) any part of the development would be within 25 metres of a metalled part of a trunk road or classified road;
- (i) it would consist of, or include, the erection or construction of, or the carrying out of any works to, a building, structure or an excavation used or to be used for the accommodation of livestock or for the storage of slurry or sewage sludge where the building, structure or excavation is, or would be, within 400 metres of the curtilage of a protected building;
- (j) it would involve excavations or engineering operations on or over article 2(4) land which are connected with fish farming; or
- (k) any building for storing fuel for or waste from a biomass boiler or an anaerobic digestion system—
 - (i) would be used for storing waste not produced by that boiler or system or for storing fuel not produced on land within the unit; or
 - (ii) is or would be within 400 metres of the curtilage of a protected building.

Conditions

A.2—(1) Development is permitted by Class A subject to the following conditions—

- (a) where development is carried out within 400 metres of the curtilage of a protected building, any building, structure, excavation or works resulting from the development are not used for the accommodation of livestock except in the circumstances described in paragraph D.1(3) of this Part or for the storage of slurry or sewage sludge, for housing a biomass boiler or an anaerobic digestion system, for storage of fuel or waste from that boiler or system, or for housing a hydro-turbine;
- (b) where the development involves—

- (i) the extraction of any mineral from the land (including removal from any disused railway embankment); or
 - (ii) the removal of any mineral from a mineral-working deposit, the mineral is not moved off the unit;
 - (c) waste materials are not brought on to the land from elsewhere for deposit except for use in works described in Class A(a) or in the provision of a hard surface and any materials so brought are incorporated forthwith into the building or works in question.
- (2) Subject to sub-paragraph (3), development consisting of—
- (a) the erection, extension or alteration of a building;
 - (b) the formation or alteration of a private way;
 - (c) the carrying out of excavations or the deposit of waste material (where the relevant area, as defined in paragraph D.1(4) of this Part, exceeds 0.5 hectares); or
 - (d) the placing or assembly of a tank in any waters,
- is permitted by Class A subject to the following conditions—
- (i) the developer must, before beginning the development, apply to the local planning authority for a determination as to whether the prior approval of the authority will be required as to the siting, design and external appearance of the building, the siting and means of construction of the private way, the siting of the excavation or deposit or the siting and appearance of the tank, as the case may be;
 - (ii) the application must be accompanied by a written description of the proposed development and of the materials to be used and a plan indicating the site together with any fee required to be paid;
 - (iii) the development must not begin before the occurrence of one of the following—
 - (aa) the receipt by the applicant from the local planning authority of a written notice of their determination that such prior approval is not required;
 - (bb) where the local planning authority give the applicant notice within 28 days following the date of receiving the applicant's application of their determination that such prior approval is required, the giving of such approval; or
 - (cc) the expiry of 28 days following the date on which the application under sub-paragraph (2)(ii) was received by the local planning authority without the local planning authority making any determination as to whether such approval is required or notifying the applicant of their determination;
 - (iv) where the local planning authority give the applicant notice that such prior approval is required, the applicant must—
 - (aa) display a site notice by site display on or near the land on which the proposed development is to be carried out, leaving the notice in position for not less than 21 days in the period of 28 days from the date on which the local planning authority gave the notice to the applicant; and
 - (bb) where the site notice is, without any fault or intention of the applicant, removed, obscured or defaced before the period of 21 days referred to in sub-paragraph (iv)(aa) has elapsed, the applicant is treated as having complied with the requirements of that sub-paragraph if the applicant has taken reasonable steps for protection of the notice and, if need be, its replacement;
 - (v) the development must, except to the extent that the local planning authority otherwise agree in writing, be carried out—
 - (aa) where prior approval is required, in accordance with the details approved;
 - (bb) where prior approval is not required, in accordance with the details submitted with the application; and
 - (vi) the development must be carried out—
