PROPOSED EXTENSION & ALTERATIONS TO THE CHALET SARAH GATE QUADRING for MR & MRS G COOKE

DO NOT SCALE FROM THIS DRAWING

This drawing is the property of Julian Warrick Architectural Design Consultant and is issued on the express condition that it is not reproduced, retained or disclosed to any unauthorised person either wholly or in part without the consent of the Consultant. Any breach of this condition may render the offender liable to proceedings for damages and/or injunction. The Consultant has exercised reasonable skill, care and diligence in the design of this drawing but has not carried out a detailed survey of all existing structures and services and cannot therefore guarantee the accuracy of information shown on existing drawings. Any discrepancies between this drawing and the existing structures and services must be reported to the Consultant before any work is undertaken. The Consultant has not been commissioned to carry out a detailed investigation into the existing structure and cannot therefore guarantee that the proposed works will be entirely feasible. Any opinions expressed in this drawing as to the suitability of existing structures for the proposed works are therefore given only as an indication of what may be required. Further investigations will be necessary to establish the full extent of any remedial works required. The Consultant cannot be held responsible for any defects in the existing structure which may affect the proposed works. All dimensions are to be checked on site by the Contractor before any work is put in hand or any materials or components are ordered. Any discrepancies must be reported to the Consultant before any work proceeds. All materials and workmanship must be in accordance with the latest British Standard Specification, Building Regulations and Codes of Practice. The Contractor is responsible for the adequate temporary support of the structure during all stages of the works. Where new work abuts existing, the Contractor is to make good with materials to match existing unless noted otherwise. Any proposals for variations from the approved drawings must be submitted to the Consultant for approval before any work proceeds. The Contractor is responsible for obtaining all necessary approvals for temporary works, highways matters, Party Wall Act, Building Regulations, Planning Permission, Listed Building Consent etc. Where Consultants Design and Management Regulations are applicable, the Contractor will be deemed to have satisfied himself as to the competence of his sub-contractors and suppliers appointed to work on this project. Work that may not specifically be shown or noted on the drawings but is obviously necessary for the proper completion of the works shall be carried out by the Contractor as if it were detailed on the drawings. Party Wall etc. Act 1996: when building or close proximity to adjoining neighbours boundaries, you must serve notice on all adjoining owners before commencing any work. Please refer to 'Explanatory Booklet' attached to the Party Wall etc. Act 1996 for more information.
