This drawing is the property of Julian Warrick Design Consultancy and is protected by the Copyright Designs and Patents Act 1988. It is issued on the condition that it is not reproduced, retained or disclosed to any unauthorised person either wholly or in part without the written consent of Julian Warrick Design Consultancy. Any breach will render the infringer liable under the Act to proceedings for damages and injunction. Dimensions are to be taken from figured dimensions only. Do not scale from drawing. All dimensions are to be checked on site by the contractor before any work is put in hand or any materials ordered. Any discrepancies are to be reported to Julian Warrick Design Consultancy before any work is put in hand. Drawings are to be read in conjunction with all relevant engineers drawings and specifications. All materials and workmanship are to be in accordance with the latest British Standard Specifications and Codes of Practice. Any proposals or changes made by the contractor or sub-contractors must be submitted to the Architect for approval before any work is put in hand. The Contractor is responsible for the adequacy of all temporary and permanent works and for the safety of the building during the course of the works. The Contractor is responsible for obtaining all necessary Building Regulation approvals and for giving all notices required by any statute, regulation or by-law. The Contractor is responsible for the health and safety of all persons employed on the site and for maintaining adequate welfare facilities. The Contractor is responsible for providing adequate insurance cover in relation to the works and for ensuring that sub-contractors have adequate insurance cover in relation to the works. Work that may not specifically be mentioned in the specification but is necessary to carry out the intent of the drawings shall be carried out by the Contractor as if described fully in every detail. Figured dimensions only are to be taken from this drawing. Do not scale. Any discrepancies or omissions are to be reported to the Architect before any work is put in hand
