Good morning David.

That's fine with me.

I hope to get it all sorted by the end of next week. Despite external influences, the situation seems straightforward.

Kind regards

Dear Lewis,

This application elapsed on 15 January 2021. Can I please agree an extension of time to 15 June 2021?

Hopefully this will allow for the application to go to May committee if updated details are submitted shortly.

Kind regards,

Dear Mr Robinson,

Please find attached a copy of an amendment form upon which I would ask that you provide a written description of exactly what you wish to you the building for.

May I suggest:

Change of use from Flower Bunching and Grading Shed (approved under H15-0144-19) to Mixed Use – Flower Bunching and Grading Shed and B8 Storage and Distribution.

Separate to this you may wish to provide a supporting statement which details why you have applied for the potential for B8 storage all year round.

If you have any queries then please do not hesitate to contact me.

Kind regards,
