"70% of customers rated their satisfaction with Compton as excellent or very happy" *Source: Consumer Research 2001*

9' wide Flat Spar with timber fascias, optional cedarwood door and guttering to rear.

Flat Spar 10'6" wide with galvanised steel up and over door (painted by customer) with optional white plastisol coated steel fascia.

Double Flat Spar 17' wide with optional 15'2" wide door, timber fascias and optional brick front posts.

Standard price includes:

Newbury, Flat Spar and Flat Spar High

- ✓ Compton delivery and installation, programmed and controlled by the company to ensure the highest standards
- ✓ 10 year structural guarantee, giving you peace of mind
- ✓ The Compton Customer Care Promise – we promise to make you happy with your building – no small print!
- ✓ Compton Customer Service – rest assured with the best in the industry
- ✓ Sand and cement fillet to internal perimeter walls to help prevent leaks
- ✓ Unlike most other garage manufacturers, with Compton, the wider the garage, the wider the door, giving easier access and maximising available space, and all at no extra charge
- ✓ Spar aggregate external finished concrete panel, made on our automated plant for consistent quality. Machine vibrated with steel reinforcement for greater strength, mastic sealed on the inside with the Spar finish complementing most local environments
- ✓ Galvanised steel bolts and nuts, 1/3 thicker than most competitors for longer life, greater strength and stability
- ✓ Preservative treated fixed timber window
- ✓ Hardwood timber weather bar, bedded on mastic and screwed to the concrete base behind the main door – helps prevent water and leaves blowing under the door
- ✓ Galvanised steel, one piece front to rear roof sheets with no joint to leak, and steel for vandal resistance, treated on the inside face with a Grafo-Therm anti-condensation treatment to minimise any condensation risk. *The roof sheets slope from front to rear*

NEW Black PVCu guttering to the rear elevation, with downpipe and shoe

Newbury Spar only

- ✓ Pair of side hung galvanised steel doors (unprimed), complete with Yale deadlock
- ✓ Galvanised steel fascias and vergeboards, (unprimed)

Flat Spar and Flat Spar High

- ✓ Preservative treated timber fascias and vergeboards for attractive appearance
- ✓ Pre-finished, white polyester powder coat primed galvanised steel up and over door, horizontally ribbed, fully retractable for reliability, ready for painting
