

APEX

SPAR

Apex Spar and Apex Spar High

19' wide Apex Spar with optional plastisol steel up and over doors and maintenance free PVCu fascias.

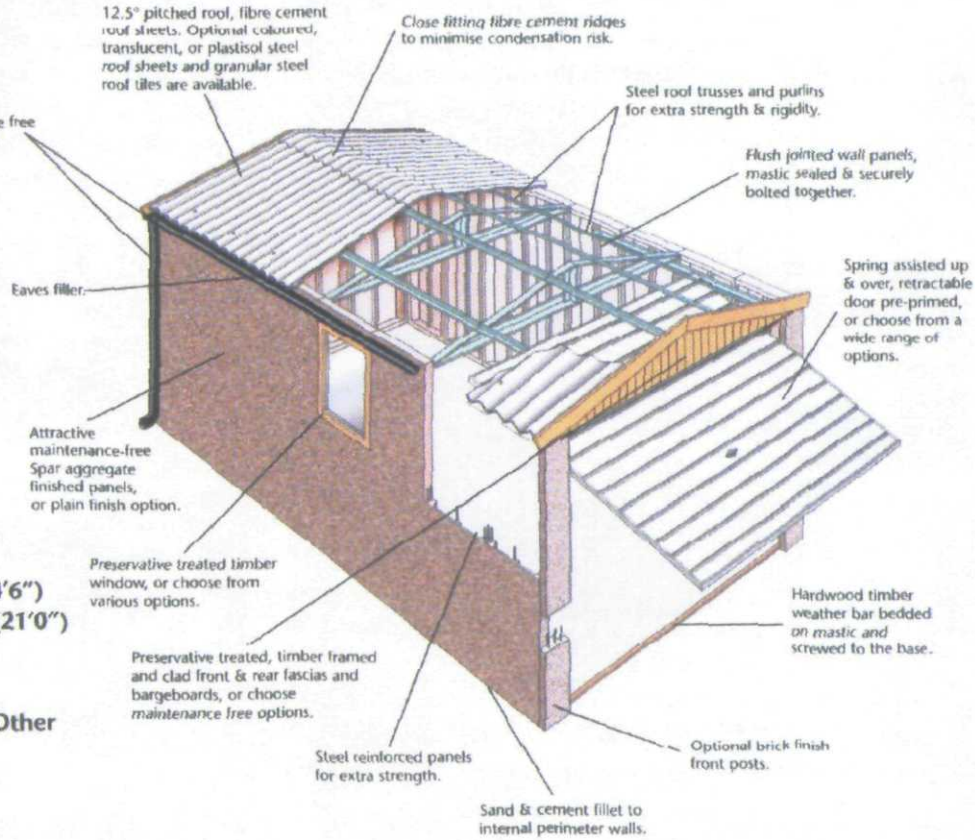

9' wide Apex Spar High with optional Georgian style door, guttering, PVCu double glazed window and PVCu fascias.

Apex Spar, 17' wide with optional cedarwood doors, cedar fascias and brick front posts.

Flexibility, versatility and extra space

Probably the most flexible and versatile of the entire range, Apex Spar gives you a real feeling of extra space. Single or double, as long as you like, it's a very practical solution to all your storage needs. Want a maintenance free garage? Then select PVCu fascias, PVCu fixed or opening windows – Secure by Design, plastisol up and over or personnel doors. Want a workshop? Simply replace the up and over door with a steel personnel door at no extra cost. Want to personalise your garage? Choose from 4 different coloured fibre cement roof sheets or granular steel roof tiles, or one of nearly 90 different up and over door styles and finishes.
