Proposal	Proposed 61 bedroom care home

Name	Pedals c/o Roger Smith
Address	18 Cley Hall Drive Spalding PE11 2EB

Date Submitted	25-01-19
For/Against	Objections

It is very disappointing that this proposal does not make any provision for secure, covered cycle storage for use by members of staff, nor for one or two stands for parking cycles near the front door for use by visitors. The site is close to a cycle route and in a convenient cycling distance of many of Spalding's residential areas. It is likely that some staff members will wish to cycle to and from their work and this should be encouraged by providing proper facilities on site, in accordance with the THINK OF CYCLING checklist published on the SHDC website. We therefore object to this application in its present form. Please consult Pedals on any amended plans which may be received as a result of this objection.
